Mr. SPEAKER.—'Public interest' means not on public representation.

Sri J. B. MALLARADHYA.—The Hon'ble the Chief Minister has not answered my question as to whether this has not led to dissatisfaction among the officers who are waiting promotion even if it means six months. Does it not lead to discontentment?

Sri B. D. JATTI.—Generally we do not re-employ. I do agree that it does create some dis-satisfaction.

Sri G. VENKATAI GOWDA.—It is said that due to shortage of experienced officers these officers were re-employed. But for these re-employment, how these inexperienced officers could have carried out their duties?

Sri B. D. JATTI.—As Sri J. B. Mallaradhya said, there are some people who are experienced. But, due to some difficulty, we have to give extension for a short period.

Sri H. M. CHANNABASAPPA.—Here, it is a question of 1243 tanks in Shikaripur and 1328 tanks in Sorab, Which of them come under Ambalagola and which of them under Anjanapura is a matter of detail. Some of these come under Ambalagala and Anjanapura. Some which do not come under them, for such tanks, there is a programme, making a drive under minor irrigation work and orders have been issued to this effect.

Sri H. M. CHANNABASAPPA.—I am sorry, Sir. I have given him the information. It is open to the Hon'ble Member to draw his own inference, but. it is not right on his part to say that the statement made by me is not correct.

Sri H. S. RUDRAPPA.—All right. Will the Government restore the tank which is not covered by these channels ?

Sri H. M. CHANNABASAPPA.—That is the policy of Government.

Sri H. S. RUDRAPPA.—Is it not a fact that this proposal was sent to the Central Government and they had approved all the minor tanks in the malnad area ?
